

Disclaimer / Liability Notice

1. Content of the Online Offer

The author assumes no responsibility for the accuracy, completeness, timeliness, or quality of the information provided. Liability claims against the author regarding material or non-material damages caused by the use or non-use of the information offered, or by the use of incorrect or incomplete information, are generally excluded, unless it can be proven that the author acted with intent or gross negligence.

All offers are non-binding and subject to change. The author expressly reserves the right to modify, supplement, delete parts of the pages, or the entire offer, or to temporarily or permanently discontinue publication without prior notice.

2. References and Links

For direct or indirect references to external websites ("hyperlinks") outside the author's area of responsibility, liability shall only apply if the author had knowledge of illegal content and it was technically possible and reasonable to prevent use.

The author expressly states that, at the time of linking, no illegal content was recognizable on the linked pages. The author has no influence over the current and future design, content, or authorship of the linked pages. Therefore, the author explicitly distances themselves from all content on linked/external pages that has been changed after the link was created.

This applies to all links and references within the author's own online offer as well as to entries in guestbooks, discussion forums, link directories, mailing lists, and all other databases set up by the author that allow external writing access. For illegal, incorrect, or incomplete content, and especially for damages resulting from the use or non-use of such information, liability rests solely with the provider of the page to which reference was made, not with the person who merely refers to the publication via links.

3. Copyright and Trademark Law

The author strives to observe the copyrights of images, graphics, audio files, video sequences, and texts used in all publications, to use self-created content, or to rely on license-free materials.

All trademarks and brand names mentioned on this website, which may be protected by third parties, are subject to the provisions of the applicable trademark law and the ownership rights of the registered owners. The mere mention of a trademark does not imply that it is not protected by third-party rights.

Copyright for self-created content published on this website remains solely with the author. Reproduction or use of such graphics, audio files, video sequences, or texts in other electronic or printed publications is not permitted without the express consent of the author.

4. Data Protection

If the website provides the opportunity to enter personal or business data (e.g., email addresses, names, addresses), such data is provided by the user voluntarily. Use and payment of all services offered is – as far as technically possible and reasonable – also permitted without providing such data, or using anonymized data or a pseudonym.

The use of contact data published within the imprint or comparable sections (postal addresses, telephone/fax numbers, email addresses) by third parties for sending unsolicited information is prohibited. Legal action against senders of unsolicited spam emails is expressly reserved.

5. Legal Effectiveness of this Disclaimer

This disclaimer is to be regarded as part of the online offer from which this page is referenced. If parts or individual formulations of this text do not, no longer, or not completely comply with current legal requirements, the content and validity of the remaining parts remain unaffected.
